French country style home nestled on 3 acres in the Auburn city limits. Integrated wiring and surround sound installed. South American hardwood floors, Lincoln double pane windows and a whole house vacuum system. The entry way is 22 feet tall and the main doors are double with wrought iron design. Wide base boards and crown molding with double crown in many areas. The great room has a floor to ceiling stone fireplace surround with gas logs. Many arched doorways create the beauty of this floorplan. The kitchen has a multi color Silestone bar counter, with two disposals one in the bar counter and one in the double granite kitchen sink. Jennaire appliances. Cherry wood cabinets, along with a large eat in area overlooking the back yard. The formal dining room has ceramic tile floors and is close to the main entrance with a formal office space across the hall that has double French doors and could serve as an additional bedroom on the main floor if needed. The master suite is large with a sitting area in the bedroom, his and hers closets. The master bedroom has plush carpet, a tray ceiling, recessed lighting and tall windows letting in a lot of natural light. The master bathroom has double vanities with a Silestone tall countertop. The master shower has an additional rainshower head and has steam capability. The tub is jetted and sits in a corner below a decorative window. There are two staircases, the one gorgeous at the entrance
